Part Three

Arthur's Dream Boat

Dear North Wall Explorers,

Are you ready to set sail for our next adventure? In case you missed it, click [here](#) to watch the video of Arthur's Dreamboat.

When you have watched the whole video, we have some fun story-telling for you to do in this pack!

From

Owlbert and Norris

1) Once upon a dream...

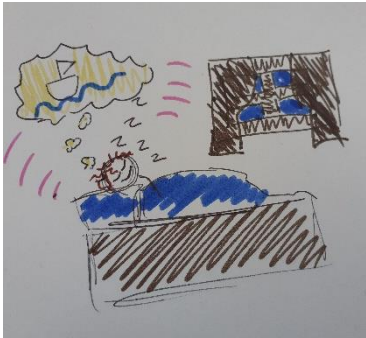

Can you write your own story about a dream? It could be a real dream or one that you make up! Anything could happen – you could dream of living underwater or on a cloud? You could be best pals with a dragon or a mermaid? You could be finding your way out of a labyrinth! Write your dream story in the pillow below!

2) Story Board!

A story board is a bit like a comic strip. It helps you to see what a TV show or film or play might look like. Can you story board Arthur's Dream Boat? You have to write a sentence in each box and draw a picture – Owlbert did the first one for you!

One night Arthur had a dream and it was amazing.

The End!

3) On my adventure I saw....

This is a fun game to play with your family! Each person takes it in turn to say what you saw on your adventure, but you have to say things beginning with the letters in order of the alphabet... AND you have to remember everything that everyone has seen and said!

For Example:

Person 1: On my adventure I saw an Alligator

Person 2: On my adventure I saw an Alligator and a Bollywood dancer

Person 3: On my adventure I saw an Alligator, a Bollywood dancer and a Cat

Why don't you have a go... can you get all the way to Z?
